Product Description

WypAll® Reach™ Centrefeed Dispenser

- Stylish, portable, fully enclosed dispenser (black). The controlled single sheet dispensing minimizes roll contamination whilst encouraging efficient use of the paper wipers.
- The included bracket allows you to both house your dispenser or transform it into a wall mounted dispenser and is designed to fit aesthetically 'front of house' as well as behind the scenes.

WypAll® Reach™ Wiping Paper – Centrefeed roll format (White)

- Perforated and embossed dry paper wipers combine performance and value.
- Food contact safe wipers¹
- Tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). For environments requiring fully saturated wiping, these wipers are tested as compatible with soap/detergent.²

1) Suitable for food contact in compliance with German Recommendation, BfR No. XXXVI
2) Always follow manufacturers instructions for dilution, application and contact time.
