#### Features

Electronic Skincare Dispenser automatically dispenses one shot of soap or sanitizer when a user places their hand beneath the dispenser

#### Dimensions

This dispenser measures 7.25" x 11.5" x 4.0"

#### Advantages

This dispenser is touchless and electronic to minimize the spread of germs and reduce waste

#### Long battery life

60,000 hand washes (per 3D-sized alkaline batteries) and features low battery and low product lights when replacements are needed

#### Easy reload

You can choose a key or push button opening to reload  
Works with 1.2-litre cassettes of Scott® Foam Soap, Gentle Lotion Skin Cleanser as well as Hand Sanitizer

\*Warranty applies to proprietary dispensers while they are installed. For more information on warranty please refer to the Warranty Card. KCP proprietary dispensers are most effective when used exclusively with Kimberly Clark Professional Product range for dispensers.
